QUICK QUIZZ

INTERNATIONAL WOMEN'S DAY 2026

On March 6, 2026, we dedicated a day to celebrating the 182 incredible women who move Thiso Myanmar forward. The event centered this year theme "Give to Gain", the idea that when we invest in and empower women, we collectively gain a more innovative and resilient organization.

"CELEBRATING THE WOMEN WHO MOVE US FORWARD"

The event opened with a keynote from our CEO, Mr. Kha, who shared heartfelt words of appreciation for the vital role women play in our success.

"Every one of you is important. Whether you work in our towers or lead a department, you are the foundation of our success. To the 182 women of our team: Thank you. Thank you for your hard work and your dedication. You make our company better every single day" – Mr.Kha.

BURMESE SALAD MAKING BATTLE

The following sessions turned into a showcase of talent and grit. We witnessed a high-energy Burmese salad-making battle featuring 16 contestants.

A huge round of applause for our salad-making winners: **Ms. Naing** (Business Operations, HAGL), **Ms. Yin Hnin Aye** (Cold Kitchen Department, Melia Yangon), and **Ms. Chaw Su Thin** (Business Operations, HAGL), who showcased both tradition and creativity in every bite. They were awarded cash prizes as a token of appreciation for their vibrant participation.

3rd place

The celebration was put together with a sense of shared purpose as **Ms. Zin Mar Thet Mon** (Head of Culture & Communications) took the stage to share the history behind IWD. Adding to this, she also shared her personal story titled "Building a Legacy" that motivated the audience to recognize their own potential.

This was followed by a powerful thematic video premiere, carefully curated to reflect our 'Give to Gain' philosophy, leaving every woman in the room feeling seen, inspired, and deeply empowered.

The atmosphere turned personal during the storytelling competition. Four courageous contestants took the stage to bring the theme of female empowerment to life. The participants chose to honor world-renowned women and for some, they shared their own journeys of overcoming adversity. By telling their own stories, they embodied the truth that our struggles are often the foundation of our strength. The session was a reminder that every woman in our workforce is a "living legacy."

We were proud to award cash prizes to our winners: **Ms. Khine Myint Myat Tun** (Procurement, HAGL), **Ms. May Sabel Phoo** (Culture & Communications), and **Ms. Sandar Moe Myint** (Human Resources), recognizing not just their public speaking skills but the authenticity and bravery it took to share the stories.

"STORY ABOUT HER: STORYTELLING COMPETITION"

1st place

3rd place

The energy reached its peak during our interactive "Quick Quiz," where the participants showcased their general knowledge about woman icons on the world and sharp wits.

We awarded cash prizes to every participant who correctly answered our 15-question challenge on global women icons, demonstrating their knowledge and quick thinking under pressure.

We also presented a special cash gift to every woman participant who joined us, a small token of our appreciation for the 182 women working at Thiso Myanmar. Another excitement was our Grand Lucky Draw, where every woman staff had a chance to win. The room was filled with cheers and anticipation and the spirit of 'Give to Gain' was felt by all through a day of shared rewards and collective celebration.

At Thiso Myanmar, "Give to Gain" is our roadmap. By continuing to give our women the platforms, the resources, and the respect they deserve, we gain a workplace defined by innovation, resilience, and harmony. Let's carry the momentum of this International Women's Day into every meeting, every project, and every interaction.
Be Bold! Be Brave! Be Brilliant!
