YEIN (DANCE PERFORMANCE)

Discover how our employees enjoy their festivities, either traditional performance with friendly competitions and freestyle open stage

A HEARTFELT "GIFT OF LOVE" FOR THE NEW YEAR

Honoring to all the hard working employees with gifts basket from our beloved CEO

THINGYAN WATER FESTIVAL 2026

On **April 9th, 2026**, we gathered to celebrate the vibrant spirit of the Thingyan Water Festival with our incredible team. As we wash away the past year and welcome the Burmese New Year, we recognize that the joy and dedication of our people are what truly drive our organization toward a more innovative and resilient future.

“REFRESH YOUR NEW YEAR WITH SPLASHES”

We were honored to start our Thingyan celebration with inspiring words from our CEO, Mr. Kha. He spoke about the strength of our community and thanked the team for being the driving force behind our organization's journey into 2026.

“This festival is a very special time. It’s not just about the water and the fun; it’s about renewal and unity. It gives us a chance to take a break from our daily tasks and focus on what matters most: our relationships. A strong company is built on a strong team, and moments like today help us bond and grow closer.”

– Mr. Kha

YEIN (DANCE PERFORMANCE)

The celebration burst into life with a vibrant opening performance, blending traditional yein (dance) with the enchanting, rhythmic melody of a classic Thingyan song. This captivating act, performed by **Ms. Zin Mar Thet Mon (Head of Culture & Communications)** alongside two talented employees, set a joyous tone that perfectly encapsulated the festive spirit and communal harmony of the Thingyan season.

The festivities continued with a high-energy showcase of talent and competitive spirit, as five groups of employees took to the stage for our Thingyan song and dance performance competitions. It was truly inspiring to see such dedication and artistry as they competed to capture the festive essence of the season.

A huge round of applause for our winning performers. They masterfully blended tradition with creativity in every note and movement, earning them cash prizes as a token of appreciation for their vibrant participation and exceptional performance.

The energy reached its peak during our open stage performances, where employees truly let loose and embraced the festive spirit. It was a joy to see everyone go wild with excitement, singing their hearts out to their favorite songs and hitting the dance floor with pure, infectious happiness.

This was more than just a random songs and joy; it was a celebration of our collective joy, where every employee felt free to express themselves and revel in the rhythmic delight of the Thingyan atmosphere. Seeing the crowd come together in such high-spirited harmony made the celebration truly unforgettable.

“OPEN STAGE SESSIONS TO ENJOY THE FESTIVES”

A HEARTFELT "GIFT OF LOVE" FOR THE NEW YEAR

To celebrate the arrival of the Myanmar New Year, we were thrilled to present "Gifts of Love" to our dedicated team members at **HAGL Myanmar** and **Meliá Yangon**. These tokens served as our heartfelt appreciation for your continued commitment to excellence over the past year. We know that our success was built on your talent and inspiration, and we were truly grateful to have such a dedicated team by our side.

We hope the cooling waters of Thingyan brought peace, prosperity, and good health to you and your families during the holiday. It was a pleasure celebrating this special season with all of you!

Wishing you a prosperous, joyful, and harmonious New Year!
